

MM-705-WM

(25 lb. WLL)

PAN & TILT BOTTOM MOUNTED SPEAKER MOUNT

MULTIMOUNT®

Wall Mount Up

The MM-705-WM is a pan and tilt wall mount specifically designed to support the JBL 705P studio monitor. Save counter space by mounting these monitors to the wall. Independent adjustments allow the speaker to be precisely aimed and locked into position to provide optimum stereo and surround sound listening.

Ideal venues include recording studios, post production facilities and where ever reference listening is required
