for ease of use

APPLICATIONS

» Project Studio Monitoring
» Home Recording
» Rehearsal & Tracking

FOR PROJECT STUDIOS, REHEARSALS AND TRACKING

AKG K72 over-ear, closed-back headphones bring powerful audio performance to project studios and rehearsals. Professional 40mm drivers deliver precise sound - from tight, detailed bass to clean, clear highs - without hype or coloration. The unique self-adjusting headband provides a personalized fit, ensuring serious comfort during marathon sessions. With a lightweight yet durable design, professional-quality components and replaceable earpads, K72 is built to last.
